

# Maverick MV10

10" PORTABLE PROFESSIONAL BATTERY SPEAKER

- Extended Compatibility
- Microphone Input
- Effects
- True Wireless Stereo (TWS)
- Stage Monitor
- Equalizer

The MV10 speaker is a 10" active speaker with BT and battery, with high performance, ultra-low dimensions and weight, allowing its use in a wide variety of indoor and outdoor applications with recorded or live music. With its elegant design and powerful sound, it can be used anywhere at any event, ensuring music reproduction of up to 8 hours using its battery. Easily create your wireless stereo system by pairing two MV10 via BT simultaneously, using TWS (True Wireless Stereo). Let's get the party started!!
